COMMENTS:

Darryl says: His choice this week is Ida B. Knight's nice blue single "What Ya Got" on Sound Mindz Records.

Cecily says: Found Will Gittens on Instagram. He does acoustic covers of people's songs, but he also has a few original things as well. Really like the one he did from Adele called "Easy on Me". Although I like Adele, he made it soulful.

Tori says: We're a seek behind on Cecily's picks but that one is coming next week. We're gonna present a gospel sing-off soon. Should be fun because we've got so many extremely talented groups and solos around here in the Shoals area. Corona is still a thing to be concerned about so please be careful everyone. Much love, Tori
