COMMENTS:

Darryl says: Bluesman Mark Safford is back with a new one called You Got To Roll It Slow on Sound Mindz.

Tori says: Last weekend my mom and I were in Atlanta for the National Black Radio Hall of Fame Induction Banquet. I had fun sitting between my guy AJ Savage and the one and only Jill Gibson, daughter of the one and only Jack "The Rapper" Gibson. I was honored to present the Radio Owner of the Year award to Michael Carter and the Carter Broadcasting family, owners of KPRS in Kansas City, Missouri. It was good to see the terrific Larry Steele (who was right there with my Parliament Funkadelics lyrics, my pal Handsome Harry Lyles, David Linton, who was lauded by Running Ric Ross the Boss, and so many others, just like old times! Special congratulations to the best promoter in the country, my long time good friend Chris Cunningham, who was also honored. There were way too many people there to name but you'll see pics of some of us on Urban Insite. Congrats & love to everyone!
