COMMENTS:

Darryl says: Dr. Love will be happy to know that Darryl is liking his song featuring Albert White titled "We Gotta Get It Together" on Love Internet Records. It was great to see Dr. Love at the National Black Radio Hall of Fame event.

Tori says: Hope everyone had a wonderful Thanksgiving and were blessed to spend it with loved ones. My mama has a china cabinet filled with beautiful crystal serving dishes so I decided it was past time to make use of them. (My mom also still has things in boxes, or with tags on them, that she has never used and had forgotten that she owned, so I've been busy reminding her.) Thanksgiving day I found a set of four cute little wine glasses, still in the box. I took them out of that box and put them in her curio cabinet, which is already filled to the brim with every type of wineglass, champagne flute, etc. that one could imagine. First time she'd seen them in ages so she decided to give them to my cousin. That's four down, about four hundred or so to go. Wish me luck! Love you all. Tori
