COMMENTS:

Darryl says: He likes our newest add by Donnie Ray titled "Haven't I Been Good You?" on Ecko Records. Darryl was a hero who helped me hold down the board during the snow at the Soul of the Shoals today.

Tori says: Yes we are still playing Gary Taylor's Christmas song because it's beautiful Everything the man does is wonderful. He's a master songwriter whose music has been sung by some of the top names in the business. And he knows how to style a song to put you in a mood. Can y'all tell I'm a fan of Gary Taylor? Buying his music is an investment you won't regret. The other day I was in our radio station's library with a radio/television vet who has worked all over the country. We spent some time reading through some old Jack the Rapper, BREs, and a few Behind The Scenes. Remember those? Tori
