COMMENTS:

Darryl says: His pick is Ledisi's song "Sell Me No Dreams" from the album of the same title on BMG. The whole album is really good!

Tori says: It's snowing here. We're expecting up to six inches - not an every year occurrence in northwest Alabama. Roads are pretty bad so everybody stayed at home except Darryl and me. I bunked last night at WZZA to provide weather updates and tell the people where warming stations are. Will do it again tonight. (Am over here being a responsible grown up radio announcer and playing some of my favorite songs, lol, Getting out of from behind my desk and in to the booth to d.j. is always fun for me.) Since I'm still here at the Soul of the Shoals, it was time to catch up on our playlists and reports. Hey to Teddy Astin who called today. Tori
