COMMENTS:

Darryl says: He likes the Blues single by Jessi Terrel titled "Best Friend's Man" on Soundz Mindz.

Tori says: Hey everyone. We're very appreciative of the good music you guys are sending our way! A really nice brother called here the other day and asked for me. He wanted to update me on his artist and told me that he was part of a crew working with someone I've known for many years. The challenge is that most of my time is spent handling business: working with advertisers, paying staff and all of our bills, engineering, etc. That means that it's seldom that I can do the fun stuff like cut a spot, work the board, or have fun on the phone. There are those of you for whom I make exceptions, cuz we're family, so you can always get to me. But WZZA is fortunate to have a good team here to keep up with the music tracking, so please get to know them too. Much love to all of y'all, Tori
