**COMMENTS:**

**Darryl says:** I like the new single by Eric Benet featuring Chante Moore titled "So Distracted" on Five Special.

**Tori says:** I like Darryl's pick too. Loving the Duets that Eric has on this latest project. Started following him so watch every once in a while. That cat is really funny. I'm also very much loving the new Will Downing songs. Check them out for yourself! And anything Ledesi or John Legend ever comes out with. And of course our favorite, the legendary Smokey Robinson, who is a musical maestro. I love our playlist and am so grateful to our wonderful record promoters (and that God blessed me with an excellent ear for good music, lol!). Wishing a blessed MLK Day to all of y'all. WZZA is airing PSAs that tell our listeners how they can help make the world a better place in the name of the good Reverend Doctor by checking the MLK Day.org website. Much love, Tori
