COMMENTS:

Darryl says: His pick is Soul Blues Diva Ms. Monique's single "If You Can't Add" on J.W. Music.

Cecily says: Love the new one from Blxst & Remble called "Child of God" on Red Bull Records.

Tori says: We'll add Cecily's pick next week. Thanks to Boogie for sending us some good music. I am still playing catch-up with sleep after an intense Handy Festival. We held yet another event Saturday, but had to cut it off early after we were almost blown away by heavy winds. It blew my hat off. And there I was, getting soaking wet while helping to take the stage down cuz it was in the middle of the street and the awning had blown off somewhere, lol. We're looking forward to the Four Tops coming to the Shoals on August 26th at UNA's Norton Auditorium. Can you tell there's never a dull moment around here? Holla later, Tori
