**Comments: I**

**COMMENTS:**

**Darryl says:** He likes our local R&B artist Tina Labea with her new single "Gratitude" on Cathead Blues Records.

**Cecily says:** Man! Pink Sweat\$ is so underrated and to me, can do no wrong. "spiritual" is really nice. He his new album, Volume III is great!

**Tori says:** Just got back from a week at Perdido (Orange) Beach where our annual County Commissioners convention was held. The water was calling my name so had to spend some time in the waves before I checked out. Thank Goodness for my hairstylist who undid the damage, lol. Happy belated birthday to Ric Ross. Tori
