**COMMENTS:**

**Darryl says:** Charles Wilson is back with his blues single "Shoo Doo Wop". He says he knew Mr. Bailey very well from playing his music back in the day. We'll add his song next week.

**Tori says:** Happy Fall to All of Y'all from the one and only Black Owned, Black Licensed radio station in northwest Alabama - WZZA, the Soul of the Shoals! So as I've been saying, WZZA kissed a lot of engineer frogs before we found our prince but the guy we have now is terrific. So I'll be buying lots of stuff. Let me know if any of you radio guys have some parts in your boneyards that you want to sell.
