COMMENTS:

Darryl says: Wilson Meadows and Trina P's song is awesome. It's titled "My Girl" and it's on Brimstone Records. That one is coming We got the Charles Wilson in this week. We'll do Wilson Meadows next week, which should make Brimstone's Lee Parker happy because he'll have three songs on our list.

Tori says: I'm broke and happy because I've just purchased two pieces of equipment to improve our operations here at the Soul of the Shoals. More to come! I'm remembering how generous Hundley Batts was with advice and encouragement. He even came over to train my radio sales staff. My dad helped him, and he in turn helped me. It was good to have a conversation with Roscoe Thriller Killer Diller Miller. He's doing his thing over here in Alabama and I'm so very proud of him.
