**COMMENTS:**

**Darryl says:** Bluesman Chuck Strong has a great song that I like titled "Rock That Man In The Boat".

**Tori says:** WZZA Radio, the Soul of the Shoals, is presenting a foot stomping, hand clapping, good gospel show this week. Last Saturday we held our annual NAACP Freedom Awards Breakfast which was a sell-out and success with a wonderful speaker, the Reverend Ernest Williams. That brother did some preaching and teaching and was right on point. The week before that we partnered with the Alabama Black Chamber of Commerce to present a workshop all about using AI for our businesses. No stopping and more to come from Soul Radio! Tori
