COMMENTS:

Darryl says: Willie Clayton is back with a new single titled "Let's Stay Together" on End Zone Ent. (Tori is channeling Tom Joyner and saying that Willie has got to be one of the hardest working Bluesmen in the biz.)

Tori says: Our WZZA Radio, Soul of the Shoals Gospel Concert was wonderful! Much thanks to our very own Pastor Jerry Reeves, our midday gospel man, who was the catalyst behind us doing it! Before hitting sound check at the Ritz Saturday, I stopped by our Alabama Music Hall of Fame where they were planting a star for the one and only Wayne Chaney. Wayne works with me on the Handy Festival music committee, is on our MPS Board, and he's cool. He was on the road with Little Richard for ages, traveling all around the globe, and he has some wild stories. He also does a pretty good imitation of Richard. His stories are fun to hear and show what a fan and friend he was to the man. Since so many of our reps send the music without the label, we've just made the decision to omit that column from our lists. Let us know if this presents a problem for anyone. Sending love to my loved ones. Tori
