**COMMENTS:**

Darryl says: He's feeling the new song by Blues artist Sticky Boy titled "I Just Retired" on Sound Mindz Ent.

**Tori says:** It's Memorial Day weekend and – in addition to paying tribute to those who gave their lives to protect this nation, it's also a time when friends and family get together. It's also time for the Southern Soul Music Festival and the Joe Douglas Old School Music Festivals in Huntsville. Yep, two competing shows happening in the same city or just outside the limits, both with some acts that are FIRE. Performing will be Stephenie Mills, Manhattans with Gerald Alston, ConFunkShun, Silk, S.O.S. Band, Karen White, After 7, Nellie Tiger Travis, 60 Boyz, and many more acts. Coming up the day before Fathers Day will be a brand new Blues and Jazz Festival featuring Bobby Rush, Alex Bugnon, and Marion Meadows. Lots of fun in Huntsville. We'll see how it all goes down! See you all sometimes this summer. Sending up love to and prayers for the one and only Charles Geer, the icon of promotion who has sweet talked me into playing his songs with everything from Buffalo Rock ginger ale, dinners at his favorite restaurants, to sweet smelling body lotions and hand creams cuz he's the king promoter. Peace people, Tori.
