COMMENTS:

Darryl says: He likes the Blues song by Sir Charles Jones titled "I Can't Choose" on Five Star.

Tori says: Rest in peace Charles Geer, promoter extraordinaire... He used to take special care of us female radio programmers. Don't think I ever ran out of lotion and still have a bottle or two. And, because he knew how much I liked Buffalo Rock Ginger Ale (and how tough they are to find in stores), he made trip to Birmingham and got me some. One time though, we'd been missing each other when I was in Atlanta and he wanted to get them to me. He knew that I sometimes stayed at Mitch Faulkner's house, so he took my Buffalo Rocks to Mitch and told him to give them to me. By the time I got to Mitch's, about half of my Buffalo Rocks were gone. Cuz that rascal Mitch liked them too. So I told Charles. He said "Cuz I told Mitch not to drink up your Buffalo Rocks!" But he was laughing too. I'm gonna miss Charles Geer. Congratulations to Sidney Wood, III, son of my guy Kenny Diamond, who is a brand new dad just in time for Father's Day. (Kenny would have been a wonderful granddaddy.) Love to you all, Tori.
