COMMENTS:

Darryl says: He likes the new Blues artist Mr. Willy with his new single featuring Ms. Jody called "he's Got That Cougar" on Ecko Records.

Tori says: I am afraid to listen to Darryl's pick this week. My father was honored again Saturday, this time by the West Side Music Awards Committee for being a trailblazer. My parents had a record store in West Florence called "The Record Shop" back in the 1970's and sold a lot of the music that we were also playing at WZZA. I remember helping my mom to sell 45's and albums, seeing Isaac Hayes wearing a vest made out of chains, falling in love with Al Green, and listening to the Staple Singers and Kool and the Gang and the Isley Brothers and the Jackson Five - just some of the many songs that customers came in to hear when they bought music. Memories! Love y'all, Tori.
