COMMENTS:

Darryl says: His pick this week is Bill Avery's "Party Don't Start" on Music Access.

Tori says: We're still showing love to FAME music by playing some of the many many many hit songs that came from there. Thanks to Darryl for finding the song "Jam" by Stephanie Mills, MC Lyte, Doug E. Fresh, Kid Capri. Loving all of these seasoned artists coming out with new music! Ron Isley and the Isley Brothers, Stevie Wonder, even the Flamingos. (Hello to Chris Jasper!) Next week we'll be adding some Sheila E. (You can't help but love watching videos of her and her family members making music together.) During a trip this week to New Orleans I was reminded of why I love Café Du Monde's beignets. Last thought for today: I'm still laughing whenever I hear Christian Keye's singing "Cook My Dinner Naked" because I keep imaging grease poppin' over lady parts. Does the man not understand there is a reason for aprons? Lol! It's a good song though. Love and peace, Tori
