**COMMENTS:**

**Darryl says:** He likes the new blues single by Tina P. titled "On Time Lover".

**Tori says:** Kamala is doing an excellent job of showing us why she is the only logical choice for U.S. President. She's taking on interviews even in hostile territory, and she's holding it down. On the home front, I put one of her a Kamala Harris signs in front of WZZA Radio. Crazy people stole it so it was replaced with the second Kamala sign. The crazies stole that one too. After I put the third one out there, they stuck a Trump sign alongside it on my land. So I sent a complaint to the county probate judge reminding him that while he may be a Republican, his oath of office requires him to oversee the election process so he needed to tell the crazy people to stop trespassing, and that tampering with campaign signs is actually illegal. He released a statement to the media to that effect. Now I've got a sign out there beside my Kamala-Walz sign that reads "We Fight Back - Black Voter Matter" and so far those signs have remained in place. Apparently, there are misguided people out there who think we will back down or that by removing signs, they will win the election. If our votes didn't matter, they wouldn't keep trying to steal them. Please get everyone you can to the polls on election day. Love and peace, Tori
