COMMENTS:

Darryl says: He likes the new Jazz single by Jessie Thompson titled "Cape Town Coast" on JT Jazz.

Tori says: I took some time Wednesday to mourn the fact that so many Americans would choose a racist, sexist, selfish, felonious, immoral narcissistic nut to head our nation rather than a smart, empathetic, qualified woman. It occurs to me that there are too many women who don't love ourselves enough, who don't realize how much good we can do when we show love and support for one another. I'm not blaming Kamala's defeat on Black men. It is our sisters who are responsible. But it is what it is. We are resilient and we'll get through the next four years. Tori
