COMMENTS:

Darryl says: Al Lindsey is back with a Blues single called Al Lindsey called Try Try on Moses Media.

Tori says: Still playing catchup over here so this is late again. I heard Muni Long's song "Ruined Me" while I was driving through Birmingham a couple of weeks ago, and knew immediately that WZZA would be playing that one. Then I watched video of her performing it and gotta say that this chick made the song come alive. I'm pretty much loving anything October London does, and want to say thanks to Raheem DaVaughn for giving us beautiful songs. Sade's song about her son titled "Young Lion" is heartbreaking. We're playing the song and grieving along with her. Met her once in Birmingham, Alabama, right after she had given the audience one of her fantastic performances. She won't remember this but she was beautiful, gracious, and thoughtful. This talented artist that we were lucky enough to have just heard sing, rather than relaxing and being catered to, was instead being kind enough to offer to share her refreshments with us after her show. She even poured. Sweet lady. Our hearts hurt for hers. Tori
