COMMENTS:

Darryl says: His pick this week is Calvin Richardson's different take on the song by Lenny Williams' "Cause I Love You" on Music Matters Ent. It's good.

Tori says: So, the WZZA Radio Family welcomes our newest team member, Ms. Donzella Hendrix, who has relocated from Georgia to bring her national experience to the Soul of the Shoals. She's handling middays and bringing her national experience with her. The more I listen to the Melvin Riley song, the more I love it. Am also still loving the Duets that Eric Benet did, especially the one we're playing now featuring Chante Moore. Thanks to those who called to check on us after the tornadoes. Yep they resulted in us losing some time on the air but we managed to get back. Appreciate all of y'all. Tori
