**COMMENTS:**

**Darryl says:** We had to honor Angie Stone's memory with the Omar Wilson f/Angie Stone "Get To Know You" on Orchard.

**Tori says:** The more I hear Melvin Riley's songs, the more I love them. "Talking In My Sleep" is the one we're on now but he can sing anything anytime at all and he'll have my attention cuz the brother is just so smooth. Now then, I got me a cowboy hat set aside for the upcoming first annual Southern ShoalShine Blues and R&B Music Trail Ride happening rite chere in the Shoals on April 25<sup>th</sup> and 26<sup>th</sup>. WZZA is gonna give away tickets to the best dressed cowboy and cowgirl who send their pictures in to post on our Facebook page. I'm working late again on a Sunday, enjoying listening to Walt Baby Love's "Gospel Traxx", and waiting to hear my guy Darrin "Postman" Florence's "I Want To Praise You". Both of those brothers know how to make listening to gospel fun and inspirational. Gotta confess that sometimes people will ask me what I think about their podcast or their show on some other station, and I can't help them because I enjoy listening to WZZA so very much. Maybe we can incorporate more of what others are doing cuz I ain't touching my dial, lol. Check us out at [WZZARadio.com](http://WZZARadio.com)! Tori
