COMMENTS:

Darryl says: T.K. Soul is back with a new Blues single titled "Baby Got Us Jammin" on T.K. Soul Music.

Tori says: So, yay! WZZA Radio and my dad were nominated to the National Historic Registry. It's a process that required approval from the Alabama Historical Society. Those folks graciously invited me to attend their meeting in Montgomery last Thursday. Fortunately, they approved the nomination! So now it goes to the national level for final consideration/approval. Keep your fingers crossed and sending prayers up for WZZA Radio! Thanks so much for all the kind words and well wishes from the loved ones. While I was in Montgomery, I found a couple of soul food restaurants. The second spot was called Greg's where they boast about having the best salmon croquettes in the world. I think the brother might just be right about that! Had that, eggs, grits, and found out that Roscoe Miller and Darryl "E" Elliott are still doing the thing in the Gump and have much love from their radio listeners. Hollar soon. T
