**COMMENTS:**

**Darryl says:** Tori is so happy that Smokey Robinson has a new album out and did such a great job with the cover of William DeVaughn's "Be Thankful For What You've Got". And D.K. Harrell can play that guitar really well.

**Tori says:** Saturday, I was honored to be honored along side four other ladies at a Mothers Day Tea presented by one of our local churches. The other honorees were an Apostle, a Prophetess, a pastor, and a first lady and the event featured two lady pastors. At least four of the six were wives of pastors. Then there was me. And I had a flash back to kindergarten... which of these is not like the others? Now I've been inspired to give up profanity and be on my best behavior. Y'all pray for me. I can still hear Mitch Faulkner teasing me after he heard that I had been selected as an Outstanding Young Church Woman (and yes I have two certificates on my wall showing that cuz I was selected twice, so there!) Mitch thought that was some funny stuff and he threatened to tell on me cuz he knew entirely too much of my business. The rascal. Calvin Richardson did a show here in the Shoals. He brought along with him Melody Sheree from Love and Marriage Huntsville. Thanks D. Tarver, for doing business with WZZA! Tori
