COMMENTS:

Darryl says: He is available for your music tracking calls weekdays from 2-4pm.

Tori says: WZZA Soul of the Shoals is celebrating Black Music Month and part of that celebration is remembering Jack "The Rapper" Gibson. Thanks so much to Brad Sanders of Babysitters Productions for sharing that one with us! The second Saturday in June was declared Jimmy Hughes Day so that's where I was the other day. Dancing, talking to and hugging on my friends, eating some barbeque ribs, and having a good time. Started off that morning hanging with my Mom at the Omega Psi Phi Juneteenth breakfast. It was inspiring and educational. Alabama has finally joined the nation by adding Juneteenth to the official calendar. That was an odd situation. After Juneteenth was declared a national holiday under the Biden administration, Alabama's governor added the holiday temporarily. Since then African American legislators had introduced a bill to add it to the official calendar (which still recognizes Confederate Memorial Day!), but it never passed until some Caucasian legislators decided to do the same. Crazy.
