COMMENTS:

Tori says: Going to take a moment to give thanks to the Most High God for the many blessings He has chosen to bestow on us. Among those He's given to me are friends and loved ones, good music, and the joy of hearing great radio programming! Both Darrin Florence with "I Want To Praise You" and Walt Baby Love's "Gospel Traxx" keep me company and inspire me on Sundays while I'm here working at WZZA Radio. Special thanks to Postman for the weekly shout outs to us over here at the Soul of the Shoals. Please keep WZZA's very own Darryl Luster uplifted in prayer. Losing his mom has really taken a toll, and our hearts are heavy for him while he's going through this time. Record labels who need to get their music to us can continue to send it to Programming@WZZARadio.com, but also copy Production@WZZARadio.com and if you need to, send it to me also. Alabama will be holding municipal elections on August 26th. Send up positive vibes so that we can select the mayors and councilpersons who have our best interest at heart and the character and strength to fight for the people. Tori Bailey
