**COMMENTS:**

**Tori says:** WZZA didn't do music report last week for several reasons, the main one being the weather event experienced in our part of the world. In other words, we had a freeze, so we did a freeze on our playlists and report. Happy to be back with y'all this week. Due to the extreme cold, ice, sleet, and other challenges, many of our roads were closed, and travelers advisories issued. Most of my team decided not to chance driving to the station, so I camped out here myself. By the third day I finally slept in my own bed again, and that's where I was Tuesday morning when suddenly my phone began pinging like crazy. I was basically in a coma so didn't know what could possibly be happening. Thought maybe the weather had turned bad again. Turned out it was loved ones sending birthday wishes! So thanks to everyone! (What was that? You wonder what I'd like for my belated birthday gift? Godiva chocolate cookies (they call them biscuits) are always a welcome surprise. Lol! Much love to all of y'all. Tori
