COMMENTS:

Tori says: Love that reimagining of Brother Stevie's "Ribbon In the Sky". Love Debra Laws but would also have liked to hear a little more of Howard Hewett in the song because that brother has a true gift. Carlos Cannon's song "Boo'd Up" is a fun experience. Love that Jill Scott is back, and that Eric Roberson and Avery Sunshine have joined to give us a wonderful song. We can never go wrong with either October London or Lucky Daye music, and I'm loving that Rease turned me on to PMRNB's "that's What Love Will Do". Blessed Easter Sunday to you all. Tori
