COMMENTS:

Tori says: Regi Myrix featuring Ty Juan's song "Attracted To You" is one of my favorites and will remain in rotation on our Blues and Soul list for a few more weeks. E.J. Jones who sings "Gas Station Love" doesn't look at all like he sounds. Brother looks like hiphop and sounds all the way grown. It's April and we're now gearing up for the annual Joe Douglas Entertainment Old School Festival. WZZA is the local ticket outlet and will make sure that there are convenient locations for folks in the Shoals area to get theirs. Hope all of y'all had a Blessed Easter Sunday. Tori
