**COMMENTS:**

**Tori says:** Reese turned me on to the Elmiene featuring Ghostface Killah song "Miss Hot July". We both laughed at bad by Saint Harison who looks nothing like I expected him to.) Love it. I'm also crazy about Noel Gourdin's "Only So Long". (I've been a fan of his since "The River".) I'm so happy that Stokley is back with more music! WZZA is partnering with the Deltas again for May Week and doing annual "Gospel in the Park" event. It's been moved this year though so the name might change. Tickets for the annual Joe Douglas Entertainment Old School Festival are available at WZZA and across the river in Florence at Jetsetter Spalon-Black Label Collective and a soul food restaurant that we've licensed to use our slogan so they're called "Soul of the Shoals Restaurant". (Sorry Jackson, they weren't open when you were in town!) Now I'm trying to think of a way to claim my Native American heritage so I don't have to pay taxes but don't end up being done like Lauren "L Boogie" Hill or Wesley Snipes. Tori
