COMMENTS:

Tori says: So my new buddy from the United Kingdom hung out at WZZA Radio and was a guest on my talk show. He's from the Isle of Wight (and yes I did spell that out for our listeners so they wouldn't be confused, lol). Turns out that he has a radio station of his own and he says that he plays lots of Muscle Shoals music. He's doing interviews with folks around the Shoals area. I told him that he's gotta go to Leighton and see the mural with Jimmy Hughes and Percy Sledge. The one with buttons that visitors can push to hear songs by those brothers. (I love Leighton.) So I connected him with the mayor and now he's gonna go out there. Meantime, Mothers Day is coming up in a few days and this is the first time in many years that we haven't done tributes to moms. We'll bring that back next year. I've been distracted by what the Supreme Court did which will affect everything from the number of members of the Congressional Black Caucus, to possibly trickling down to hurt Black representation in counties and cities. If Trump dies, they'll just make a martyr of him like they did Kirk. So we gotta pray for a Saul/Paul conversion instead. Tori
