**COMMENTS:**

**Tori says:** Last week's Black Chamber of Commerce conference was great. A brother from Atlanta was in the house and moderated one of the panels. H made references to the City where I used to live and had me feeling somewhat nostalgic. Primary Election runoffs are today and voter turnout is terribly low again, primarily for Democrats because there is only one race on our local ballots. I don't want to give up on our folks who won't participate, but really could use some encouragement over here. We'll tally the votes after today's Commission meeting. In the meantime, I've been working on the W.C. Handy Music Festival and hope to have a schedule up this week. Blessings to all of y'all.
