COMMENTS:

Tori says: As you guys saw, we added lots of new music last week, most of which was suggested by Hydeia. This week I pulled in some songs that had been on my master list of upcoming adds for some time, so some of those may be adjusted later. If you who are wondering about when we will add the music you've been sending are asked to give me one more playlist so we'll be all caught up. Thanks for your emails and for sending us such great music to share with our WZZA Radio listeners. It's a balancing act, but by Monday or Tuesday, we'll be all caught up. Thanks everyone for your patience. A friend brought me three bottles of some of the best Moscato I've ever had. Life is chill! Hope everyone takes a break and doesn't labor too much on Labor Day! TCB
